Advertiſement.

WHereas in the many various Papers which compoſe theſe Philoſophical Tranſactions, *there have happen'd Expreſſions, which ſome have thought Reflecting; the Readers are deſired to look upon all ſuch Expreſſions as proceeding only from the Writers of the Papers, without receiving any Authority from the* Royal Society, *who leave the publiſhing of theſe Tranſactions to their Secretary, and without being obſerved by the Publiſher before they came abroad. And for preventing the like Reflections for the future, all Perſons that are deſirous of having their Papers inſerted into theſe Tranſactions, are requeſted to tranſmit them free from ſuch Expreſſions, as may give offence, or cauſe their Papers to be laid aſide.* Vid. p. 157. 158.
